PACKING UP AT THE END OF A PONY CLUB DAY

Members and parents are required to assist with cleanup at the end of the day. This includes:

- Removing bunting and posts
- Packing up jumps
- Packing up dressage rings
- Cleaning up horse poo, hay, straw

The last day's sessions should all end at the same time, so please tie up your horses and lend a hand. It's not acceptable for a few riders to have just a few more rounds while others wait to cleanup.

**It's everyone's club and we have no
magical pack-up elves!**

GRADING CARD REQUIREMENTS

Please see this month's D.C.'s report for details on collection of new cards for the new membership year.

A reminder to all Pony Club members, your grading card is your responsibility. It can be kept with the D.C. or you may choose to keep it in your car, so that it is ready to be used at any Pony Club event that you attend.

If you choose to keep your card with you, keep it in a safe place. Lost cards can be replaced, but it takes time and there is a charge.

You also need to make sure that you collect your grading card from the DC if you know you will be competing between rallies.

When you keep your own card, you are responsible for making sure that the card is up to date, with rally attendances marked in and your horse graded for the correct level of the competition that you have entered.

If you do not have your card at a Pony Club competition, the ruling is very clear!

NO CARD - NO RIDE

**Medical Armbands must be worn
on arms NOT legs.**

DC's Report

(Wendy's Waffle)

Thanks to everyone that assisted at our Annual Combine Training Day. The day went really well, with a number of lovely comments from outside competitors. Special thank you to Rosemary, Janine, Mary and Stefan for all your hard work.

This November Rally is a Grading and Up grading rally

A couple of times a year we usually set aside a couple of rallies for grading and regrading. If you think you're ready to be graded or up graded, please let me know on or before this rally. You must also let your instructor know on rally day so that testing measures can be arranged in each discipline you wish to be graded in.

Dressage Clinic with Prue King, Saturday 19th December.

I am currently arranging a Dressage Clinic with Prue. The 19th of December has been chosen as it is at the end of exams etc. If you wish to be included please let me know this rally if not before. We will run private and semi private lessons.

Our Awards Presentation Night Saturday 5th December, 7pm sharp at the club rooms

This night is always great, so write it in your diaries now. DJ Spin Fusion Entrainment provided after the presentation. BYO plates of nibbles and drinks. Let your hair down!!!!!! If you cannot attend please let

me know asap.

Christmas Break up Rally 20th December

The usual fun and games are being arranged by Kate W. Fancy Dress at lunch time is the usual favourite. Loads of ribbons to be won !!!! So get you Fancy Dress for your self and your horse ready. BBQ lunch provided by the club. Please all families to bring a salad or desert. A list to write what your bring will be at this rally. This rally day will finish early in the afternoon.

Membership Renewals for 2010 year.

If your family is not returning to pony club next year please let me or Nicola know, as soon as possible. I need to work out instructors and groups for the new year. Please also remember that your 2010 fees will be due at February rally. Membership renewals reminders will be sent out Late Jan 2010.

Nunawading Group Photograph at this rally.

Just a reminder that Tricia Z will be taking a group photo of all our members and instructors at rally. This photo will be taken just after line up. Please all be in full pony club uniform. Shirts, tie and jumpers or polo/rugby tops are all fine. Please have your mounts saddled up ready, but attend line up unmounted. (Weather permitting for photo).

Junior Committee Awards.

Christie D and Lauren W have asked if all the junior committee members could help with getting the junior committee awards ready for the presentation night. Some of this preparation will be done at this rally during your theory session or during lunch break. Some other preparations will be arranged later in the month and of course set up for the night will also be arranged.

Please see either of the girls for what's required. **Bring an apron to cover you're clothing as some painting is required. Also they would like to have a power point display, so bring any photos on a disk that you would like included.

"C" Certificate Members Testing Date 2010 Just a reminder that I am currently working out with Zone your testing dates for 2010. These dates will mostly be late March or early April. I will need to collect your payments to sit your certificate of approximately \$25.00 each . The written paper is tested separately at Ringwood PC room on an evening midweek and the ridden test will hopefully be done on a Saturday at our club grounds, as long as I get the paper work off early. Please see me if you have any question.

Enjoy your rally,
Wendy D'Ortenzio DC

Who needs a float anyway!

A very happy "Welcoming Committee"

Annual Combined Training Day

The highlight of the past month was undoubtedly our annual combined training day in late October.

The grounds looked fantastic and many thanks to all who came down on Saturday to help with setup. Special thanks to Janine and Rosemary for again organising the overall logistics and managing the entries leading up to and on the day. Also, to Wendy and Mary for ensuring we had judges for all our events and making sure the various PCAV and zone rules and requirements were all understood and followed.

To everyone who pitched in on the day and helped wherever you could, especially some of our riding members (great effort girls); with gear check, marshalling, selling raffle tickets, preparing and running the canteen (thanks Kerry), manning the gate and car-parking through to pack up at the end of the day. You all helped make the day an enjoyable one.

I'd like to also recognise the great effort that Amy Dewar made in designing a show jumping course that was challenging but not overly so, which from all accounts was enjoyed by the competitors.

Finally to our riding competitors, WELL DONE! There were some great successes and for many of our newer riders just completing the day and getting a feel for how a competition day feels was a real

achievement. The pre grade 5 is proving to be an excellent section in which riders and parents can gain some valuable experience of the competition day at low risk, in an environment where participating and learning are the genuine objectives.

Seeing out 2009

As we approach the end of 2009 a couple of reminders:

This November rally we will be taking a club photo so please be on time and make an extra effort to attend. November rally is also a grading rally so there's even more incentive to make sure you're there. Hopefully our members who've been doing VCE this year (and their long suffering parents) will be at the end of their exams and will be able to enjoy the day as well.

Our annual presentation night is on the 5th of December so please make sure that night is in your diary.

Our break up rally on the 20th of December is always a day of fun, especially if it's hot and the water guns come out!!!! You've been warned.

See you all on the 15th of November.
