DC Report—Bronwyn Potton

Happy NEW Year everyone, I hope you have had a wonderful break and holiday, and have had plenty of time riding your 4 legged friends.

I cannot believe that it is already February, where has all the time gone??

I would like to start off, by thanking everyone for all your support for last year, you made my first year as DC very enjoyable, and I hope you have all enjoyed it too.

If you have any ideas, or there is something in particular you would like to learn about this year at rallies, please come and see me or e-mail me or phone me. Let me know and I will endeavour to try and fill your requests if I can.

First rally back for the year will run as a normal rally. As I am not 100% sure how many of you are returning or how many new members we will have. So please be patient with your instructors and me this rally if it is a little higidley pigidley.

This year the AGM has been moved to March, which I am sure will make you riders very happy, as there will be more time to ride! J

The last riding session for rally this month I will be running some games training for those that are interested. I am hoping that we can field at least one team. I also found out at the last Zone meeting that we are able to put in composite games team also and if they qualify for state they will be eligible to compete at State. Where previously they did not allow this. So I hope that lots of you will get on board and see if we can get you in to some games training with the intent to represent our club at the Zone games day in April.

This year I want to get the next group of you to do your C Certificate. I hope that I can get those eligible to sit their examinations in either May or June. So if you are over the age of 12, and would like to do your certificate please come and see me so I can order you C certificate books to get you started. Furthermore I would like to get some C* or K Certificate candidates started. I have some information for those that are interested so please come and see me.

Hope to see you all on Sunday.

Dear Kim

RE: Equestrian Life National Pony Club Championships 2011

Pony Club Association of Victoria would like to thank you for your generous sponsorship of the Pony Club National Championships held at Werribee Park National Equestrian Centre from the 26th September – 1st October 2011.

The Equestrian Life National Pony Club Championships were a resounding success even though the weather tried it's hardest to dampen enthusiasm; Mother Nature was no match for our keen riders, dedicated officials and devoted and soggy supporters.

Our Pony Club riders are passionate about their sport and their horses, conducting an event such as the Pony Club National Championships gives all Pony Club riders the opportunity to dream.

I thank you once again for supporting both Pony Club Association of Victoria and the PCA National Championships.

Kind regards

Suane Waugh

This 1980 Franklin Straight load horse float has been well maintained and is in good condition!

This float features new tow hitch, new brakes, new tyres, new wheel guards, new spring in tail gate, new steel floor, new rubber no slip flooring throughout, new padding on sides and centre divider and has been totally re-wired.

This float also has a head divider that can be locked in centre or rotated, 2 x tie up points at front and a small side access door.

It has been a fantastic reliable float to tow and has 6 months rego still left (exp SEPT 12).

This is an extremely regretful sale, but due to relocating we are forced to sell.
