President's Report—

Hello everyone and welcome back to another year of Pony Club. I trust everyone had a restful and enjoyable Christmas break and that you are all ready to participate in our range of activities.

This rally is of course the one where memberships and fees are due. Could I please ask that people print off their membership forms and return them with their fees on Sunday. If you are going to have difficulties with payment on the day please come and talk to us re that.

I know that we are welcoming some new members, both riding and pre-owners. We are also welcoming back Milena who has had a year off whilst beginning her university studies. Along with new members, we are also saying farewell to some members. Marelle and Emily Gerdes are regrettably leaving us for Kinglake Pony Club. Please look further in Rallyround for a letter from Marelle re their move (page 9). There may also be other movements of others that we are not yet aware of.

Our first couple events were held on the first weekend of February. I was very pleased with the turn out at the combined clubs working bee. A lot of tasks big and small were begun and some completed on the day. It was a day when we worked in unison to improve the grounds for all riders. We also had a number of people turn up for the Yeringburg working bee the next day. Acknowledgements to all participants further on in the magazine

Our Twilight Showjumping is this Friday Night and we look forward to seeing as members as we can there, participating and also helping run the night. This is our first fund raiser for the year and all profits go to improving equipment and facilities for our riders.

I want to thank also some people in advance as they are working at the State Championships on the Saturday after our Rally at Yarrambat. Thanks to Jay Garrett, Janine Busljeta and Rosie Howard. We also wish Alex Benson well for her events at the competition.

Our Rally in March is our AGM where we elect our new committee for the year. There are some members that are standing down from their positions of responsibility, so there are vacancies. We are always looking for members for our committee and if you are interested in joining and holding a position please fill in the nomination forms.

*I am wondering if we have a member who willing to take on an IT role with our website, and, I am also looking to form a subcommittee this year for the planning of celebrations of our 40th in 2014
If you are interested in either of those areas could you please let me know.*

It is paramount that if you are NOT attending the rally YOU NEED to contact BRONWYN (0407501202) the Friday before. She needs to be able to finalise riding groups and instructors to give you, the rider, and the best possible experience. We also need to know who is and is not returning for 2013

Looking forward to seeing you all on Sunday, until then all the best.

Open letter to NHPC members

After a great deal of deliberation and weighing up all the pros and cons, Emily and I have made the decision for her to leave Nunawading PC and join Kinglake PC effective from the start of February 2013.

As you may know, we moved our horses to a friend's property in Kinglake in September last year. This was done on a trial basis, but is proving to be an arrangement that is suiting all involved very well. Emily and I are both enjoying the benefit of riding with friends (adults and children) who ride and train their horses classically and train under the same international dressage coach that we do, and the horses have settled in well and thrived in their new environment.

Of course one of the downsides was the travel required to attend rallies at NHPC, requiring a total of about 4 hours driving all up on the day.

As we have now decided to continue agisting in Kinglake we have also decided to move Emily to Kinglake PC, requiring only to walk the pony out the end of the driveway and down the road less than 100m rather than an hours' float trip each way. Along with the reduced travel benefits, we also have the benefit of already knowing 5 of the KPC rider members very well.

This really has been a difficult decision as NHPC is a fabulous club and we have been very happy there and made many wonderful friends, who we hope to keep in touch with. We will miss everyone at NHPC very much. As KPC rally day is also the 3rd Sunday of the month we won't have the opportunity to regularly drop by to say hello, but we will most certainly look out for you all at competitions and clinics and wish everyone at NHPC the very best for the future.

With warm Regards,

Marelle & Emily Gerdes
