President's Report—Kerrie Hobbs

Welcome to our November Rallyround and in particular to our three new members, Grace, Emma and Claire, who joined us at Nunawading as of the last rally. It is great to see that slowly our number of riding members is increasing.

To all of our members that are currently in the process of exams at Uni or completing VCE or any other end of the year assessments; all the best. They are nearly finished for the year.

We have coming up a number of things in the next few weeks. The week-end after our rally we have the car boot sale on Saturday 23d November. Please do not forget to book your spot ASAP or just come along on the day and buy. Please continue to advertise it where you can.

We also have two weeks after that, our Presentation Night on Saturday the 7th December, where awards will be presented, along with a highlights package of the year and ending with dancing and a fun evening for all members.

Please make sure that you all come along to the night, it is not just for the riding members but we would like to see our non-owner members there as well as it is also your night of celebration. It is BYO nibbles and drinks and could we please **not bring any nuts** whatsoever as we do have some members that are allergic.

Our competition day went fairly well, whilst numbers of competitors was down on previous comps, I believe that it was successful overall. It was disappointing to see that we had less volunteers from our members to run the day and that did place an added strain on the ones who worked tirelessly to get the day up and running. Running a competition is one of our fundraising events and everyone from the club actually benefits as it helps us supply equipment, guest speakers and instructors, along with other initiatives. The use of Event Secretary was good, however, as it was our first time we were flying a little 'blindly' but have learnt some valuable lessons from its use. If we use it again we now know what we want!

Rosie is looking for someone to take over from her the running of our competition days. She has put together a document that outlines what has to be done to run one of these events. If you are interested in been involved in running this please do not hesitate to let us know.

We are running at lunchtime a special meeting to vote for or against the adoption of the new constitution. Please make sure that you have had a look at the documents that were sent to you last week by me.

Finally, just a reminder that we do now have an electronic booking sheet, to let us know if you are attending or not on the rally day. We are aware that circumstances can change on the day or the day before. Could you please let us know if that is the case. It will make planning a lot easier and allows adjustments to be made to the groupings if need be.

Have a good Rally

DC Report—Stephanie Williams

Hey *Nunas*,

THANK YOU everyone who let me know that they were either able to attend or not attend last rally using the signup sheet. As it worked so well we will be using it again this Rally. I sent it around last week so if you haven't already put your name down please do so ASAP

<http://nhpc.signupsheet.com/>

Also **well done** to everyone who competed at our Combined Training and Dressage day! You all did such a wonderful job and showed what we are made of at Nunawading. It was great to see everyone

For all those who are Graded 1, 2 or 3 Dressage or A, B or C Showjumping. The State Showjumping and Dressage qualifying event is coming up in December. There is also a signup sheet for this one if you would like to compete; use the same link above. All the details are on the link, however if you have any more questions come and talk to me.

We are coming to the end of the year which means we get to have a little bit of fun. What am I talking about, we are going to have heaps of **FUN** even more fun than we usually have....

We have the presentation night on the 7th December where all those who have excelled and represented our club will be awarded for their efforts. We also get to wash all the horse hair and dirt off, dress in our finest and dance the night away...

Then we have our Christmas break up rally where there will be lots of excitement and games and of course

Fancy Dress. I'm sure some of you are already thinking about what you can come along as...

Hope to see most of you at Rally on Sunday and happy riding till then.

Steph
