President's Report—

Hi everyone

It is hard to believe that it is the middle of the year and again talk has begun amongst riders and parents that the Werribee Horse Trials are just around the corner in September. So if you are thinking of competing, don't forget to get in early and book your caravans through Bay City Caravans 52502595 and say that you are with NHPC. There will be a list out on the table at the rally for you to put your name down to let us know if you are going. As well we probably will again this year do a bulk order for stables, feed and bedding. Competition entries open on August 4th

We have had a number of riders involved in a range of different competitions, clinics and activities during the last month, which of course included the school holidays. I trust that you have all had a good time and congratulations to all participants.

At this month's rally we are fortunate enough to have Prue King conduct a gear check workshop for our parents and riders and we may also have some participants from zone attending as well. This is a great opportunity for us to learn about the gear that our riders use along with the safety aspects required. I trust that the majority of our parents are going to participate in this event. On the same day we have a few of our riders participating in the second session of Speed to Safety at Caulfield. To Hannah, Jade C, Jade P and Kirra all the best for this second round, I know that you all did very well at the first session in early July.

Next year we are going to be celebrating NHPC 40th anniversary and its 20th year at Drummies Bridge. We are thinking of running the celebration in whatever form on the November Rally weekend in 2014. So please mark this date in your calendar for future reference.

Please remember that you should now have your details on the blue card for your medical armband.

I would like to make welcome Sivan Barnett and her father Brian as new members to our club. Sivan attended the last rally and had a very enjoyable time.

Again at this rally in the morning we are going to be light on with some regular helpers, as some parents will be at the Speed to Safety Session. I ask that all people help get the day up and running, and we really need to start on time at 9.30, so that we can start the workshop and other sessions that need to run.

Don't forget to let me know if you are going to be part of the gear check workshop. I currently have 11 people who have said that they want to participate. It would be good to have a few more from the club. Please let me know by the 19th.

It is paramount that if you are NOT attending the rally YOU NEED to contact Stephanie (0411 170 175) the Friday before. She needs to be able to finalise riding groups and instructors to give you, the rider, the best possible experience.

See you all on Sunday
