## HI EVERYONE

Congratulations to Claire and Olivia Skerman for their fantastic placing of 2nd at State. It was an awesome result and something that the girls should be very proud of. I know as a club we are very proud of them!

Yes it is the middle of the year and again talk has begun amongst riders and parents that the Werribee Horse Trials are just around the corner in September. So if you are thinking of competing, don't forget to get in early and book your caravans through Bay City Caravans 52502595 and say that you are with NHPC. Kate Taylor sent you all an email last week regarding bookings for stalls, bedding, campsites and the like. Please let her know of your requirements via email. Entries for the competition open on **July 28th**, and you are required to complete your own entry.

As well, as most of us are aware (and for ones that are not) the month of October has our other competition day 'Dressage and Combined Training' on **Sunday 26th October**. Irene and Vivienne will be looking for support from our members again to help run this day. Please keep in mind it is one of our two days that are major fundraisers for the club each year. There is already a tub at the clubrooms that will willingly accept your donations for our club raffle. If you have prizes, either give them to me or place in the box at rally.

The Junior Committee are running a raffle with the hottest tickets in town on offer as the prize; A FAMILY DAY PASS to EQUITANA, which can be used on any one of the four day event, (two adults and three children). Tickets are \$2 each. Raffle will be drawn at our August Rally. Please support the Junior Committee as they run a range of different things to help their club.

November is coming up fast and we are going to be celebrating NHPC 40th anniversary and its 20th year at Drummies Bridge. The rally in November will consequently be a little different and we would love to make it a day when every single one of our members can be in attendance. Please try to make sure that you are with us on that day.

As a committee we have decided not to run our car boot sale in November this year as commitments at Drummies Bridge during that month are pretty full on. We will look at an earlier date in 2015. See you all on Sunday

Kerrie

## Junior Committee

**HI EVERYONE,**

Don't forget that at this rally we will be having a raffle so if you could bring some money and buy some raffle tickets it would be much appreciated. The raffle prize is a family pass (valued at \$110) to Equitana Melbourne. Equitana has an action packed schedule full of competition, exhibitions, demonstrations and all things equine. This is your chance to win a ticket to go and check out all these amazing things instead of paying full price!

**Tickets will be \$2.00 each**

Rider of the month for April went to Ethan Lowe for being such a great help around the club grounds even when not asked and having a positive attitude towards everything. May rider of the month was Rachel Weeks for stepping up and volunteering herself to help cross country jump judge at Yeringberg Horse Trials. Thanks for your great help Rachel!
