17/ RALLY PLAN

HERE IS WINTER, so for most of us it is back to rain and mud and the cold. The things that we do for our kids and their beloved horses! As it is June we have just completed a very busy month, with Yeringberg again. A big thankyou to the families who completed the pack up duties on that day at Yeringberg; through to our competition the week later. In the lead up to our competition day the weather forecast did not look all that promising however, apart from a fairly heavy early shower on the Sunday morning we were very lucky indeed.

It was very pleasing to say that we had the majority of our members and parents helping out on the Sunday, which made the whole event a much more enjoyable experience. Natalie Lees who was our show jumping judge commend two fairly new members to our club for working with her for the majority of the day. Thank you to Elly and Haley who probably gained a heap of experience from being with Natalie. To everyone that contributed to the day a heartfelt thanks from the committee and myself. To our riders who competed, we hope that you enjoyed the day, whilst I thoroughly enjoyed presenting a great number of you with ribbons and trophies. We look forward to our next day which is in five months' time (October).

We as a club wish Claire and Olivia Skerman all the best as they will be competing at the State competition the day before rally. We look forward to hearing how it goes on the Sunday. If you are interested in going and having a look it is at Bacchus Marsh Pony Club and the girls are on at 2.30. I think that they would be thrilled if some of Nunawading went up and saw them compete.

Could I remind parents to return monies from the Cadbury's Chocolate drive to me as soon as possible. As of this Rallyround I am going to add a NMZ page to our magazine to keep you up to date with information. It will include clinics and other important information. Please take time to read it, along with making sure that you log into the NMZ website on a regular basis.

See you all on Sunday at rally, we may also have some new riding members and families starting with us on the day. Please make them feel welcome.

NMZ NEWS

As of the 1st January 2015 there will no longer be allowed tape yards at events. Everyone should be working towards steel yards.

State Showjumping and Dressage Championships in 2015 will be held in the West Gippsland Zone on Feb 21 and 22.

JUNIOR RIDERS CLINICS

Riders clinics with Brenda Mitton running, the clinic dates are

Eltham P.C pre5 and grade 5 28th and 29th June

North Eastern P.C grade 5/4 9th and 10th July

Yarra Glen P.C grade 4/5 24th and 25th September

These are great opportunities for younger or less experienced riders to gain two days of tutition at a fairly low cost. Entry forms are available on the NMZ and PCAV websites.

DC report

HI NUNAS,

I hope you are all staying rugged up and dry now that winter has set in. Fingers crossed that we have some great weather for Rally next Sunday.

On **Saturday 14th June** Claire and Olivia will be travelling to Bacchus Marsh to compete in the State Pairs ride. We wish you all the best and look forward to hearing about how it went at Rally.

We have new grading guidelines which will be effective immediately! Please take the time to read through the guidelines and if you are looking to be graded this rally please follow the new procedure and let me know before Rally if you wish to be graded. Your grading and grading card are your responsibility. Each rally you need to give them to me or the card secretary so that we can fill them in. If you are looking to be graded or have a new horse you need to come see me and discuss the grading, it will not just be done automatically.

Congratulations to everyone who competed at Yerringberg and represented our club. You all did so well! It was great to hear that so many people came unmounted, I hope you all had a wonderful day!

As discussed earlier in the year I will not be continuing the DC roll next year. Now would be the perfect opportunity for someone to come along side and I can show them all the things I do and how to do it. You do not need to be an experienced rider or have had a large amount of horse knowledge, you just need to be organised and approachable. The rest will come and it is a very rewarding position!

Is anyone looking to do their C star certificate or their instructors certificate? If you are interested please let me know at rally and I will start getting you organised for them.

Look forward to seeing you all on Sunday.

Stephanie

GRADING GUIDELINES

A grading request form must be completed and submitted to the Club DC by the rider prior to a Rally in which the rider wants to be graded or regraded.

New horse and rider combination gradings must be done at a Rally.

If a rider requires a regrading of a combination under special circumstances this may be done between rallies by prior arrangement only.

The grading will be conducted according to the grading guideline set out by Pony Club Victoria.

If a horse and rider combination wishes to use competition results as proof of ability to be upgraded, proof of successful completion of all phases in the event must be provided. The event must be equivalent to the new grade the rider wishes the combination to be graded at.

If a rider wishes they can be assessed for a new grading at a given rally and postpone their date of grading to a later time if required. This may be helpful if a rider knows they have events coming up they have already entered and/or cannot make it to subsequent rallies to be graded.

The grading card is the riders responsibility.

THE PROCESS

1. Once a grading request form has been submitted every effort will be made to assess the rider and horse combination at the upcoming rally day.
2. The rider must bring a printed copy of their grading request form.
3. The rider must talk to their instructor and make sure they have their grading request form in their lessons at rally.
4. After being assessed the instructor will sign the grading request form to approve the rider combination have met the grading requirements.
5. The grading request form must then be signed by the DC and either the Club President or the Club Chief Instructor before re/grading is approved.
6. The rider must then bring their grading card to the club DC with their grading request form (at an appropriate time) where the rider will be present for the changing of grading in their grading card.
